immediate disaster and emergency assistance

DONOR UPDATE

13/11/2019

SUMMARY

Immediately following hurricane Dorian, IDEA Relief organized speedboat evacuations out of Abaco and the Cays as well as provided relief items to those impacted by the storm.

Following the evacuations, IDEA Relief hired local captains from Abaco to provide support to various NGO's on the ground in need of transport into the Cays. Food deliveries, ferry service, and relief items are run daily from Marsh Harbour into the surrounding Cays.

The following slideshow highlights some of the work that has been done, and the need for continued support as the rebuild efforts are ongoing.
